Looking to Make a Difference in Education

Address: Mawbyrshem, New Nongstoin, Meghalaya, India

AUG - DEC 2025

Highlights

★ Study Tour to Horticulture

Students from classes One and Two were taken on a study tour to the horticulture department. One of their staff had given a detailed tour of the facility.

★ Music Concert with Lunch

Lou Majaw Foundation from Shillong organised a free music concert and lunch for our students in August. The students enjoyed both with great enthusiasm. A special thanks to Mark Williams for organising it.

★ Worming the Students

The students were wormed for the second time this year as usual. Giving importance to students' health and hygiene is always an important aspect of RightHope School.

★ Interhouse Competitions

Grammar Competition

Time telling Competition

Hulahoop Competition.

There were three interhouse competitions conducted in this term, and all the students had a great time competing with their rival house. There were many new tricks performed by the students during the hula hoop competition. Yellow House won in all three competitions.

★ Teaching Volunteers

RightHope School always welcomes volunteers from India and abroad who would like to come and teach our students and staff. Two of our close friends and experienced teachers Mark and Paula had recently visited our school and helped us a lot with teaching and training the staff.

★ Selection of New Students

The selection of new students for the academic year 2026 commenced in October. We have found our 12 new candidates after the process of various tests, interviews and observations. A special thanks to Paula for helping with this process.

★ Food Distribution

Since 2020, we have been assisting our most needy families by providing them with staple food products on a monthly basis. At present we are supporting twelve families thanks to the ongoing support of our donors.

★ Parents Meeting

We had our third parents' meeting for the year in November. This meeting was done especially for the parents of the new students who are selected for next academic year. We want to build relationships with the families of our students and ensure they have a say in their child's education and understand our teaching methods.

★ Ex-RightHoppers Meeting

We recently held two get togethers for former students. We aim to meet six to eight times a year, so we can keep in touch with past students. Many students still borrow books from our senior library as there are no other fiction books in town!

★ Shining Ex-RightHoppers

One of our ex-students, Bantei, who is studying at Aga Khan Academy, an international school in Hyderabad on a full scholarship, recently took part in the ISSO National Games 2025-26. He secured third place in 3km race and 1500m race. Well done, Bantei!

One of our ex-students, Ibantei, who is studying at Sepsingh school in Nongstoin, recently took part in the State Level Role Play and Folk Dance Competitions in Shillong and secured first prize for role play. Now she is going to compete in a national-level competition in Madhya Pradesh. Well done, Ibantei! and we wish you a good luck!

★ Children's Day Treat

On Children's Day, the teachers surprised the students with a delicious cake and juicy and locally produced oranges during the lunch break.

★ Final Week Activities

The students were engaged in various activities during the final week of school after their final test. The activities include buddy-time, special Christmas arts, calendar making, final day performance rehearsals, etc.

★ School Picnic

The students and the teachers had a lot of fun, laughter, food and exciting games during the picnic. We also had a few of our ex-RightHoppers join in the fun and help the teachers with the picnic.

★ Final Day Performances

The students performed a few songs, skits, and choreographies for their parents on the last day of school. Following that, the results were given out to the students, and a light refreshment was also served to both the parents and students at the end.

Academic Excellence Awardees - 2025

The following students from every class had done outstandingly well in all key learning areas this year. It has been a successful year in terms of academic excellence. Even the students who were lagging behind, had improved commendably in the second semester.

**Mejied
LKG**

**Abame
LKG**

**Philawanbet
UKG**

**Deibanylla
UKG**

**Haphi
Class -1**

**Rilina
Class - 1**

**Bame
Class - 2**

**Bala
Class - 4**

**Phiban
Class -5**

**Selina
Class - 5**
